GRANT APPLICATION

Instructions:

1. Applications received prior to the end of each month will be considered at the next regularly scheduled Board meeting of the GCEF – usually the third Wednesday of every month. You will be asked to attend the next regularly scheduled Board meeting and to present your project. You will be notified of the time of your appointment.

2. Applicants who have received Foundation grants in the past are encouraged to apply again. Projects for which grants have been awarded in the past will be considered if applied for again. There is no limit to the number of Foundation grants that may be awarded to a person or to the number of times a project may be funded.

3. The maximum grant award is $7000 unless otherwise authorized by the Board. If you apply for a grant of more than $7000, the Board will consider it and will consider whether to authorize the larger amount based on the strength of the project.

4. Please fill out the application form completely. Incomplete applications will not be considered.

5. Consider the purposes of the Foundation and address them in your application. The purposes of the Foundation are:

o To help Grand County students

o To reach a large number of students

o To provide real benefit to the community

o To provide grants in support of education

6. Submit your application via our web site http://grandcef.org/ or email it to: mel777@citlink.net. Successful applicants will the required to sign and return a MOU with the Foundation. A copy of the typical MOU is available on the website www.grandcef.org.
